Remarks

Location, Location, Location is the only way to list this 3 bedroom ranch with 2 and a half bathrooms, an attached 2 car garage, and a heated & air conditioned garage/workshop in the back. Situated on just over a 1/4 acre, in an exclusive area where Pontiac meets Bloomfield Hills, your neighbors across the street live in the woods. This property is prime Real estate, and the workshop/back garage is a handy man's dream! There is room for your updates, to make it into whatever you want, but you can move right in and be comfortable. An elaborate electrical system enables you to turn on just about any light upstairs or outside from a wall panel in the kitchen or the Master Bedroom. The spacious Master Bedroom also offers two nice sized closets and the Master Bathroom can only be accessed from within. Every room in the house is spacious, but there is also ample closet space in Room 2. Replacement windows in each room are custom trimmed in solid Oak, and there are glass block windows in the finished basement, where there is also a nice sized bonus room, in addition to the half bathroom and utility room. Air compressors in front and rear garages. and home also enuinned with Generac. so you won't miss a beat during power outtages. Choice Home Warranty provided at Seller's
